## **SCHAKOWSKY CALLS ON HOUSE REPUBLICANS TO OVERRIDE PR**

Washington, D.C.--U.S. Representative Jan Schakowsky (D-IL), a member of the House

"The day is finally here. Today, the American people will see what this body is really made of. Is this body willing to stand up to the President and override his veto? Or are my colleagues? The choice is easy...You are either for healthcare for 10 million children or you are not. Yes. When that voting board lights up this afternoon, we will know and remember those who led. And keep in mind, the members that vote against this bill today are going to turn right around. But you have a chance to make things right today...to set the record straight. You can show. Please...don't let these children down. They need your vote. Vote to override this misgu
